“ We only knew Larry for the last 7 years but in that time he welcomed us with open arms. He was a true gentleman and we always enjoyed spending time with him, listening to his stories and swapping and discussing sci-fi books. He made the best ribs and meatloaf and we will never be able to read Hickory Dickory Dock without starting it the way Larry did when reading it to Matthew..."Well, there was a lil ole mouse one time".

We have some great memories of Larry and he will be sadly missed.

“ Larry will be deeply missed by many. I always enjoyed he and Deena's visit to Arkansas. I will always remember every time I made a salad, he would come in the kitchen and say, "Don't put cucumbers in that salad, I hate them!" But he would do it privately, because Deena would always say, "We are putting cucumbers in there, you can just pick them out. LOL.....So I would fix him a salad without cucumbers(secretly).Larry was always such a kind and gentle man and touched so many lives and well as their hearts. May he rest in peace with the love of his life. Thanks for so many great memories Larry...
