“ Mark was a beautiful soul, a provider for his family, and...his jokes could get a little inappropriate at times...lol. Anyone who knew his heart, knew to correct him and to then laugh it off. When you looked in his eyes you could feel the love and light he radiated.

In his last days he was surrounded by those who love and deeply cared for him. Anyone who knows Mark knows how much he loves food. I am happy to report in his last days he was well fed and happy. He had a wonderful breakfast of homemade French toast and even a plate of milk and cookies before bed. Yum!

When Mark passed he was in the loving arms of his eldest daughter. They held each other and Mark passed pain free and in the light of love. He is already so deeply missed and he will be missed as time goes on. I love him dearly and will never forget his kindness, his smile, his passion for the natural world and his love for his family. Thank you Mark for the memories. Blessings on your soul and your family forever more. In great Love, “Tallulah”

“ Mark was our neighbor when I was growing up on Grantland , the Stevenson’s were great friends of ours ! One fond memory I have of Mark was him sitting under the tree playing guitar and singing , always thought that was cool ! So sorry for your loss , love Reyna

“ Brother

You gave no one a last farewell,
Nor ever said goodbye,
You were gone before I knew it,
And only God knows why.
A million times I will miss you,
A million times I will cry.
If love alone could have saved you,
You never would have died.
In life I loved you dearly,
In death I love you still.
In my heart you hold a place,
No one else can fill.
It broke my heart to lose you,
But you didn't go alone,
For part of me went with you,
The day God took you home.
We will meet again someday,
I know in a better place.
I thank God he made you my brother while you were here on earth

“ There are so many stories to share. His life was Hunting, fishing, Bob Dylan and the outdoors. Anytime he could be outdoors he was! He was my brother, protector, advisor and friend. We always had a special bond. Our birthdays were only 2 days apart and he was such a little kid about his as I am with mine! There were lots of days growing up that were tough and he always was there for me. We grew up in California so he was always outside mostly fishing off Huntington Pier. He worked hard and played hard. His love for his family was very evident. I'm so sad I didn't get to say goodbye to you. Our last conversation was just hours before he passed. He told me the news but "protected me" from the worse news. Before we hung up I told him I loved him and he replied he loved me too. I will forever miss you. Goodbye for now until we meet again my big brother

“ I never met his family, but we talked regularly at his job. He would tell me of his wife and her battle with cancer and ask us to pray for her. He told me of the new journey they were soon to start. My prayers go out to all his fault and friends. He was always kind to us. May God comfort you in this time.
